DIARY NOTES

25X1

Executive Director-Comptroller

*THW*

5 October 1965

1. General Jack Davis, Army ACSI, telephoned to inquire on behalf of Generals Johnson and Bonesteel about [ ] a former Agency employee, who had written to General Johnson expressing his interest in becoming a consultant to the Department of the Army. I checked with the Office of Personnel and advised General Davis that [ ] was highly regarded when he worked here and that he was still a consultant to the Agency. I suggested that he might call Ray Cline for further detail.

2. The Director buzzed to say that he had received a telephone call from John Macy who told him that the Civil Service Commission had ruled that he could draw his full retired pay from the Navy as well as his DCI salary and that a letter to this effect would be sent shortly.

3. Jack Earman, Hank Knoche, and I spent an hour with Sherman Kent, Abbot Smith, and [ ] discussing the Office of National Estimates and the division of responsibility between Sherm and Ray Cline. This will all be recorded elsewhere, but the gist of it is that Sherm felt that the Board of National Estimates and the Office of National Estimates are inseparable. He also is most strongly opposed to any merger of ONE with the remainder of DD/I and wishes to establish the fact once and for all that he reports to the Director directly and not through DD/I.

4. Bob Bannerman and I talked about two cases.
